

INTERNATIONAL FIRE INSTRUCTOR'S WORKSHOP |

IFIW SPAIN 2023

JUNE 19th TO JUNE 23rd

IFIW Spain 2023 SEGANOSA

International Fire Instructor's Workshop

The next International FIRE Instructor's Workshop - IFIW 2023 will take place in Seganosa.

SEGANOSA, as a training center for emergencies and maintaining its commitment to quality training, supports the celebration of the IFIW (**International Fire Instructor's Workshop**) in 2023. On this occasion, this international meeting will be held for the first time in the Iberian Peninsula from June 19th to June 23rd.

How will the event be?

- 1. From June 19th to 21st: Exclusive work for IFIW members.** Internal development debate.
- 2. On June 22nd and 23rd: Final reflections and conclusions.** Open to the general public.
- 3. From June 20th to 21st: Practices with IFIW members in Seganosa.** Very limited places.

1 FROM JUNE 19th TO 21st: EXCLUSIVE WORK FOR IFIW MEMBERS

In these meetings, firefighters, trainers, and researchers aim to develop a learning and exchange environment where they can discuss and reflect on topics such as the behavior of fires in interiors, firefighting methodologies, leadership skills and techniques, hygiene, health, prevention, safety, etc.

Additionally, each meeting addresses issues related to firefighter safety, which should be the cornerstone of all systems and procedures used by firefighting services.

The outcomes from this workshop are reflected worldwide through the adoption of safer, sustainable, and more efficient working behaviors and procedures.
